

Harry Roberts Nursery School

nurturing and inspiring

Dear Parent/ Carer,

We are required to ask permission for your child to take part in the school activities listed below. Please tick the activities you are happy for your child to take part in.

- Local trips
For other trips we will ask you to sign a separate letter.
- Using the internet with supervision
- Displaying their photographs in school e.g. on a classroom display.
We do this as part of our teaching and learning to make the environment attractive and raise children's self-esteem.
- Using their photographs for our school's website/prospectus/twitter feed.
These may remain on our website for 5 years.

Information to share

In the event of a medical emergency, if the school is unable to contact you or a responsible adult immediately, your child will be taken to a doctor/hospital and the school will continue to try to get in touch with the parents/guardians. The appropriate treatment will be given at the discretion of the medical authority.

I have read Harry Roberts Nursery School's essential information document.

The school has made me aware of the General Data Protection Regulations (GDPR). This information will be kept for 5 years after your child has left our school.

Yours sincerely,

Alex Law
Headteacher
